RE: HCP 17216 and Funding Commitment (FRN) 54427

This document is to notify intent to commence Frontier Access to Rural Healthcare in Montana project on 01/11/2012. Non-recurring support (equipment and installation) has been completed and acceptance of circuits from the network provider has occurred as of 1/11/2012.. Invoicing for Non-Recurring and Recurring support based on Funding Commitment Letter dated August 11, 2011 with a FRN of 54427. Invoicing on the project will commence in February 2012.

Thank you.

A handwritten signature in cursive script that reads 'Joan Miles'.
